Dear. Ms. Joseph-Caesar,

The Human Rights Commission is grateful for your e-mail of 21 June, 2012 in which you invited the Human Rights Commission to participate in the discussions the Prison facilitated last week in regards to the implementation of the no-smoking policy within the Prison.

The Commission would like to request a copy of the written no-smoking policy in order that we may review it from a human rights perspective.

The Commission would like to gain an understanding of how the Prison will be implementing this policy, what was the impetus for the introduction of the policy at this time and whether you have cleared any legal issues with the Attorney General's Chambers.

Kind regards,

  
Richard Coles

Chairman  
Human Rights Commission

cc: Chief Officer, Portfolio of Internal and External Affairs  
Deputy Chief Officer (Corrections and Rehabilitation Division), Portfolio of I&EA  
Director of Prisons
