**RE: Ref: 14/CB/032**

Dear Dr. Kale,

Thank you for your letter of 9 June, 2014.

The Human Rights Commission (HRC) was grateful for the opportunity to forge a relationship with the UNHCR and members have expressed their gratitude for your offer of support and advice on migrant matters. Due to the difficulties encountered regarding migrants as a direct result of our Islands' geographic location, such a resource is most appreciated and valued.

The HRC has noted the areas of concern in your letter and will continue to work towards assisting with those issues as our constitutional mandate and resources allow.

We look forward to strengthening our relationship with the UNHCR in the future.

Yours sincerely,

**Alistair Walters**  
Chairman  
Human Rights Commission
