Dear Ms. Joseph-Caesar,

The Human Rights Commission is grateful for your e-mail of 19 July, 2012 in which you provided the requested HMCIPS Smoking Policy.

The Commission has now had an opportunity to review the policy and while sections appear to be somewhat confusing, the Commission notes you are still in the process of developing the implementation plan.

The Commission continues to await sight of the completed implementation plan and confirmation on what the impetus was for the introduction of the policy at this time and also whether you have cleared any legal issues with the Attorney General's Chambers.

Kind regards,

  
Richard Coles  
Chairman  
Human Rights Commission

Deputy Chief Officer (Corrections and Rehabilitation Division), Portfolio of I&EA  
Director of Prisons
