Dear Mr Barrett,

The Commission understands that consideration is being given to placing prisoners from Her Majesty's Prison at Northward at the Immigration Detention Centre at Fairbanks (the "IDC").

Can you provide the Commission with further details of this proposal and in particular clarify what steps will be taken to ensure prisoners are segregated from IDC detainees. What arrangements have been made in the event that there is a further influx of immigrants and there is no space at the IDC due to it being used as an overflow for the prison?

Yours sincerely,
