Statement of Condolences

The Commissions Secretariat, and the six independent Commissions that it supports, are deeply saddened to learn of the recent passing of our former Manager Ms. Deborah Susan Bodden. Ms. Bodden worked closely with the Anti-Corruption Commission, the Civil Service Appeals Commission, the Commission for Standards in Public Life, the Constitutional Commission, the Human Rights Commission, and the Judicial and Legal Services Commission to provide crucial administrative, strategic, and research support, allowing the Commissions to carry out their roles and responsibilities.

During her tenure with the Secretariat, Ms. Bodden worked diligently to support democracy and to make lives better for the people of the Cayman Islands. In April 2021 in celebration of the 10th anniversary of the Secretariat, Ms. Bodden was presented with The Certificate and Badge of Honour by former Governor Mr. Martyn Roper OBE in recognition of her outstanding work with the Commissions.

Her invaluable contributions to the Commissions were greatly appreciated by all who worked with her. We extend our deepest sympathies to Ms. Bodden's family and loved ones during this difficult time.
