CAYMAN ISLANDS

Dear Mr. Coles,

Re: National CCTV Program

I write in response to your letter dated 15th June 2010, regarding the National CCTV Project. I note the Commission's concerns and have sent a copy of your letter to the Chief Officer for the Portfolio of Internal and External Affairs, Mr. Franz Manderson.

Mr. Eric Bush, Deputy Chief Officer for the Portfolio has taken the lead on this project. I have asked Mr. Bush to make contact with you and update you on the progress made to date. It is expected that Mr. Bush will share the draft Code of Practice which is to be published, and is expected to govern the CCTV operation, until formal legislation can be introduced, as well as to invite the Human Rights Commission to a briefing on the design and functionality of the CCTV program.

Should you have any further questions, please do not hesitate to contact me.

Sincerely,

Donovan Ebanks
Deputy Governor
